PETITION TO WITHDRAW ABANDONMENT
DUE TO NON-RECEIPT OF OFFICE ACTION
AND
REQUEST FOR RE-MAILING OF OFFICE ACTION

Sir:

Applicant has received a Notice of Abandonment dated November 21, 2008 indicating that the above application became abandoned because no response has been filed to an Office Action allegedly mailed by the Patent Office on April 16, 2008. For the reasons that follow, Applicant requests that the Notice of Abandonment be withdrawn and that the Office Action be re-mailed.

The Notice indicates that a Final Office Action was mailed by the Office on April 16, 2008. However, the foregoing Office Action was not received by Applicant's attorneys. As per the firm's usual procedure for Patent Office correspondence in which a response is due, had the Office Action been received, it would have been docketed on the

firm's Master Docket with a response due date of July 16, 2008. The firm's Master Docket is part of a computer program supplied by Computer Patent Annuities (CPA) and in particular, the firm utilizes CPA's CPA Inprotech program to manage its docket of due dates for Patent Office responses. This system was sufficiently reliable, and as evidence thereof, a copy of the Applicant's attorneys' Master Docket for July 16, 2008 where a response to the Office Action would have been entered had the Office Action been received is attached. See MPEP 711.03(c)(I)(A).

In view of the foregoing, Applicants request that the holding of abandonment be withdrawn and that the April 16, 2008 Office Action be re-mailed. While it is believed that no fee is necessary for this Petition, should a fee be required, the Director is hereby authorized to charge any such fee to Deposit Account No. 50-3939.

Applicants' undersigned attorney may be reached in our Costa Mesa, California office by telephone at (714) 540-8700. All correspondence should continue to be directed to our address given below.

Respectfully submitted,

/Edward Kmett/
